Mr. Guimalig,

Greetings!

I am writing to express my sincere interest in applying for a teaching position at Pangi Elementary School. I am a graduate of Bachelor of Elementary Education from the University of Mindanao Tagum College, and I am eager to contribute my passion, dedication, and skills to your respected institution.

During my academic preparation and practice teaching, I gained valuable experience in preparing organized lesson plans, managing diverse classrooms, and applying learner-centered teaching strategies suited for elementary pupils. I am committed to creating meaningful learning experiences that promote both academic excellence and character development.

I value professionalism, continuous growth, and collaboration. I am dedicated to working closely with fellow teachers, parents, and school leaders to ensure a positive, safe, and nurturing learning environment where every child can succeed.

I would be honored to have the opportunity to further discuss how I can contribute to the continued growth and success of Pangi Elementary School. Thank you for your time and consideration.

Respectfully Yours,
